### About the Author

**O.P. Mathur** did his M.Sc. in Geology from the Banaras Hindu University, Varanasi, U.P. in 1962. During 1962-63 he was lecturer in geology at M.B. College, Udaipur, Rajasthan. In 1963-64 he worked as an engineering geologist with the U.P. Irrigation Department and was engaged in the geological investigation for the construction of the Tehri Dam on the river Bhagirathi. In December 1964 the author joined the Geological Survey of India and remained engaged in geological mapping on

the aerial photographs for iron ore investigation in the Sikar and Jhunjhunu districts of Rajasthan. In 1972 the author opted for the newly created Central Ground Water Board and worked for the ground water exploration in western Rajasthan and hydrogeological mapping in the Dungarpur district in south Rajasthan. From 1975 to 1978 the author worked in the UNDP Project of the Central Ground Water Board on the Ghaggar River Basin and was associated with the Artificial Recharge studies. From 1978 to 1985 the author worked in the North-Western Region of the Central Ground Water Board, Chandigarh, and conducted a number of short-term water supply investigations in addition to other ground water studies. From 1985 till his retirement in 1997 as Director, he remained as officer in charge of the state Unit Office, Western Region, Central Ground Water Board, Jodhpur, Rajasthan and supervised hydrogeological studies of the Unit Office. Presently the author resides at Udaipur.

## CONTENTS

I.	Preface	1
II.	List of Formations	2
III.	Description of Formations	15
IV.	List of Tables	83
V.	List of fossils with their occurrences and fossils groups	107
VI.	List of fossiliferous formations with their fossils	185
VII.	List of fossil groups pertaining to this book	192
VIII.	Details of the fossil groups	194
IX.	List of fossils as per the fossil groups	198
X.	List of fossiliferous formations	201
