## Preface

National Seminar on *Emerging Trends at the interface of Biotechnology* was organized by the Department of Microbiology of PSGVP Mandal's Arts, Science and Commerce College Shahada during February 17-18' 2007. The untiring efforts of Hon Shri Annasaheb P.K. Patil, Founder President of PSGVP Mandal & Ex. MLA (Maharashtra) and Sau Taisaheb Patil, consistent guidance and encouragement by Dr D K Sonar Ex Principal and Present Coordinator of PSGVP Mandal and the successful management of the event by Prin Dr A S Patil made the seminar a grand success.

Annasaheb P.K. Patil has earnest desire for creation of farmer friendly and fruitful research for the development of Adivasi Rural and remote area.

The proceeding includes recent developments in agriculture, industrial, medical, pharmaceutical, molecular biology, stem cell biotechnology and Nanobiotechnology.

Authors are thankful to UGC, WRO, Pune (MS), CSIR, New Delhi and DST New Delhi for financial assistance. The help and cooperation rendered by staff colleagues, fellow colleagues and students of Department of Microbiology is thankfully acknowledged.

Cooperation and submission of manuscript by the contributors is gratefully acknowledged. Thanks are also due to M/S Scientific Publishers (India), Jodhpur for the fast processing and good quality publication of the proceeding.
